

MEDICAL FOOD BREAKDOWN

This is a list of commonly issued medical foods that can be issued in Food Package III. Amounts listed in the below table provide the full nutritional benefit based on container size as directed by FNS.
 >> DO NOT issue more than the number of containers indicated in this table.
 >>Please note, not all authorized medical foods will be found on this list.
 If you have a medical documentation form from a provider requesting a medical food that is not listed here please contact the state office for guidance on maximum allowable amounts per participant category.
