Indicate qualifying diagnosis (es) for the following (previously standard) Formula.

Please check diagnosis (es) for Similac intolerance formulas

- Similac Sensitive*
- Similac Total Comfort*
- Similac For Spit-Up*

WIC approved special formula requested: _____

Prescribed amount per day _____ oz./per day

If your patient requires **Therapeutic Formula**, please indicate which solid foods are to be **excluded**. For example, a **child** on elemental formula or nutritional drink would typically **not** be given milk or cheese, and these foods should be checked.

WIC supplemental foods: *(Must be completed for 6 months and older)*

- Defer all food package tailoring, including amount, time & length to a WIC Nutritionist/ Registered Dietitian
- Issue maximum allowed of age appropriate foods
- No WIC supplemental foods. Provide formula only
- Food Restrictions (Issue all but items checked below)

Infants (6-11 months): no infant cereal no infant fruits or vegetables

Children & Women: no milk no cheese no breakfast cereal no whole wheat grains

no fruits & vegetables (CVB) no beans no peanut butter

no juice no eggs no fish (fully breastfeeding women only)

WIC issues whole milk to children 12-23 months of age – fat-free or 1% milk to women and children over 24 months

- Substitute a fat-reduced milk for children 12-23 months of age: 2% 1% fat-free
- Substitute whole milk for women and children older than 24 months. Whole milk is **ONLY** available if they are receiving a medical formula and have a medical need for whole milk. Whole (include diagnosis above)

Medical Documentation Valid for: 3 months 6 months (Personal preference is not allowable)
