

## Breastfeeding Help for Nevadans

**Nevada Medicaid**

[Medicaid@nvha.nv.gov](mailto:Medicaid@nvha.nv.gov)

We are proud to support you with  
quality & culturally appropriate help for  
children & families.

### What free help is available?

- Counseling & emotional support
- Breastfeeding supplies and breast pumps
- Lactation consultation from experts

### Who can give me these services?

**These providers can help you if they are  
enrolled in Medicaid:**

- Primary care physicians
- Physician assistants
- Advanced practice registered nurses
- Nurse midwives
- Lactation consultants when working in  
consultation with the Medicaid-enrolled  
health care providers above

### Free lactation support, breast pumps & supplies.

To find a clinic near you, visit [NevadaWIC.org](http://NevadaWIC.org)  
or call 1-800-863-8942.

You are automatically eligible for the Nevada  
Women, Infants & Children (WIC) Program if you  
have Medicaid and you are pregnant or  
breastfeeding. Nevada WIC offers supplemental  
foods, lactation support, referrals & nutrition  
education at no cost. To find a clinic near you,  
visit [nevadawic.org/](http://nevadawic.org/) or call 1-800-863-8942.

***This institution is an  
equal opportunity provider.***
